

Fundraiser Event for Rockwood Park & Museum

Presented by Rockwood Park Preservation Society

It's the wedding of the year — but someone won't make it to the honeymoon. The Rockwood Park Preservation Society invites guests to step back into the Roaring '20s for *Death of a Gangster: A 1920s Mafia Murder Mystery*, an interactive dining experience!

Set amid a lavish 1920s wedding, the evening combines mystery, comedy, and intrigue as two powerful families collide. Guests will enjoy an open bar (beer/wine) and a selection of small bites prepared by the chefs of Brandywine Prime Catering while becoming part of the action themselves — mingling with mobsters, dodging family feuds, and piecing together clues as the story unfolds around them

Guests are encouraged (but not required) to dress in 1920s-inspired attire to complete the experience.

Entertainment will be provided by The Murder Mystery Co., known nationwide for its lively and engaging performances.
